Strukt – an amazing showreel of interactive, generative and audioreactive installation projects

AUTHOR Mark Regan
CATEGORIES Design, Graphic, Motion, Technology
TAGS 3D, Innovation, Interactive, Motion, Showreel, Visual Communication

Strukt have updated their showreel and it's pretty amazing stuff. Covering the last two years, they've produced a range of interactive, generative and audioreactive installation projects as listed below:

Featured projects in order of appearance:

- ATV – Program Line Up Presentation
- MuMoK Resampled
- Mercedes-Benz – The design:project – Club Visuals
- Brennpunkt – Interactive Museum Exhibits
- EnBW – Interactive Telescopes at Hannover Messe
- Mercedes-Benz – The design:project – Letter Universe
- TocaMe – Multitouch Installation
- Vienna Tourist Board – Tourism Conference
- Strukt – Digital Wallpaper
- Austria National Tourist Office – Create A Snowflake
- Schlossmuseum Linz – Multitouch Installation
- Mercedes-Benz – DLD Conference Media Globe
